You can enter a maximum of 4 enrolment applications per academic year, of which only one or two with a selection procedure. Find out more about programmes with selection/numerus fixus on www.studyinholland.nl.

In some cases you are asked if you wish to participate in the Study Choice Activity. For more information about the Study Choice Activity, please contact your (future) university (of applied sciences).

➤ **Step 11**: Some institutions will ask you some programme-specific questions. For more information about these questions you have to contact the institution.
